Your Heroes enter at the end of Ruriks field, keep them alive and they will continue to join in battles along the campaign.

Good Luck have fun and thanks to Fury and all the past maps that were compiled edited and revamped for this plugin.. also thanks to JonGod for some map detail texturing, PointT for pregames, edits and tagset... DitWidget, BigBrother and others for beta testing.

Enjoy the fight, and Fury thanks again for all your hard work!!! when we started this compilation of maps I thought it would be good testing ground for warfare I didn't realize how epic it would become... over 20 levels of mything goodness ...keep up the great work.... PointT.

This has been a lot of fun, I hope you all appreciate the hard work of the many people involved. My initial goal was to compile some great maps that were not played often enough, and that has led to a great campaign to test and refine the wAvA unit tagset. Special thanks to Point and Ditwidget, whose patience and encouragement are the only reason this plugin exists. - Fury

Fury's Forgotten Heroes Requires Myth 1.72 or newer, and wAvA-WarfareTagset to play. <http://tain.totalcodex.net/authors/show/548>

A Forgotten Past

Time passes and memories fade... though some stories should not be forgotten some heroes forever remembered for their deeds have nudged the fates of the world to where we stand today. Its time we remember some forgotten heroes...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

Ashes to ashes dust to dust

Death comes to us all at some point, though war tends to hasten its arrival and weapons determine the horror of our demise ...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

The delights of oasis's fade

Paradise is lost much easier than found, the contrast between the hot desert sun and watered shade breeds a loud reminder as the heat drains each step...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

Moist Lips

A cold dark night, the smell of death floats on the mists, its stench condensates on our weapons ...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

Best laid plans

in the heat of the night pleased calls turn to screams as gun fire echoes

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

Hued Sands

The stains deepened as the beach came alive with death ...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

Thorns and thistles

Bites and stings as the pricks lash out ...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

The belly of the beast

A hungered roar deadened the crowd, one things dinner bell is another's scream ...

---X-----x-----x-----X-----x-----X---
-X-----x-----x-----X-----x-----X-----

Closer to the flame

When the sun burns it does it from a "safe" distance, though a burn is a burn no matter how close or far ...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Rods and staffs

Inspirations to heights of valor are sometimes as simple as a curl of a lash ...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Easy come easy go.

Fingers loosened a grip lost... Letting loose is sometimes the only way to keep hold ...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

A test of sanity

Courage can be as complex as losing ones mind or as easy as finding it...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Fallen friends

When we stumble it is nice to have those that would pick us up...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Rain Must fall

Into every life they say... though what if theres only sun

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Trodden path

To march in step, in stride or to a different drum

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Worth dying..

In life some things are worth living for...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Out of the frying pan..

Getting out of one heated situation may lead to another...

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

A study in courage...

A test of faith and wills leads too settled fears....

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Fortunes smile...

Theres no happiness when the wicked laugh

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Evil Lurks...

In the shadows chances fade

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Disappointments divide...

Fears may multiply in the face of the unknown

---X-----x-----x-----X-----x-----X---
-X-----x-----X-----x-----x-----X-----

Souls blight...

When darkness wakes all must rise from slumber....

To victory and the future we salute, and we sacrifice.
